

How to Teach Structured Spelling

A course for Teachers, Teaching Assistants/LSAs and Parents

This ten-week course is designed to give many of the practical skills and techniques needed to help dyslexic students to improve their spelling. It includes:

Use of the spelling pack

**Teaching the principles of
structured spelling**

Producing an effective worksheet

**Developing an effective
record system**

Teaching suffixing rules

How to teach spelling rules

This course is suitable for Teachers, TAs/LSAs and those working in schools. It is also suitable for Parents who have attended our 'Understanding Dyslexia' course designed for parents of dyslexic children.
